Day: Tuesday

Scripture says to help widows and to those who are in need.

Aren't we called to help the poor orphans and widows who are living in distress? Our loving God commanded us to help the people who are in need. So based upon this, we decided to bring light into the lives of the people who are crushed under the feet of poverty and took an initiative step to eradicate it as much as we can. With this slogan, we started our journey and found a widow woman in our path who lost hope in God.

To reconstruct her hope, we stood firm with her and told her that True Joy Global Foundation will never leave a person in the middle until they receive the true Joy in their hearts. Our loving God has installed that peace and happiness in us and commanded us through his word to install the same with the people who are crushed in spirit.

One day we all are going to leave the trials and tribulations which we are facing here and will live with God forever where there is no pain, agony and death. So we have to be strong in our faith and never ever we are not supposed to lose our hope on the lord who shed his blood for our sake. She got relief from all the anxieties which she had and told us that she wants to believe in Jesus who will surely give me peace and eternal life in his kingdom.

Day: Monday

Our duty is to remember the poor.

When the rejected and marginalised of any society are placed at the centre of a loving community that worships Christ, amazing things begin to happen. Jesus has given us the responsibility to care for the poor, both for their sake and for our own. So, based upon this, we decided to be good servants to Christ by helping the poor people on the streets, bus stations, railway stations, footpaths, underbridges etc. Not only this, we are identifying the individuals who are living in remote areas without having proper resources to lead a basic life.

The one which you are seeing in the picture came from Haryana state to find a job here in the AP. But he was cheated by a man who promised him that he would get a job as soon as he reached the place. From then on, he went into depression and faced many health conditions due to not eating food. We came to know about his situation from the local boy who is a shepherd. He has seen him in the fields where he is sitting alone under a tree. Immediately he informed us about his situation and we helped him with food and told him that we will find him a job soon.

Day: Wednesday

God the great refiner.

Our almighty God knows things pretty well that we are going through in our lives. No matter how many impurities are hidden in our hearts, he himself clears all by his grace, which he showered on us abundantly. Raghavulu, overwhelmed with joy after hearing that God wants to refine his life. He said that I'm not worthy to be a part of God's children because my past was so bad, and I behaved like a malevolent person. Yet, God is ready to cleanse all my sins which I've done. He thanked God for giving him another chance to build a new life.

Yes! His heart was now ready to follow Christ, and he was anxious to read the Bible. We understood his situation and immediately gave him the New Testament Bible. We've seen happiness in his eyes and praised God for saving one more soul. Literally, it's a miracle for us after seeing the situation of raghavulu. His own villagers said that it's a waste of time to discuss with him and also warned us to be careful with him. But he was not a bad guy, as the villagers said. He is such a gentleman who has a pure heart to seek God.

Day: Friday

Delivered from darkness.

It's not easy to get out of the darkness of this evil world. Everyone in this world is surrounded by darkness and enjoying it without thinking about the light which shines openly in front of every individual. Our lord Jesus Christ is ready to deliver all mankind from the darkness, but people are saying that let us enjoy a few more days in this darkness and some others are saying that we want to live forever in it because we love it and only a few people are waiting for the deliverer who can deliver them from this great darkness.

“Veeranjaneyulu” was an honest man who accepted all the wicked things which he had done. He never wants to hide anything from us, as he clearly mentioned that I’m seeking a deliverer to deliver me from all the darkness that I’m living in. I don’t know whether I’ll be delivered or not, but I strongly believe that my lord will surely see the heart of mine and will deliver from my situation. As he said, he was delivered by the lord Jesus and a shining light kicked out the darkness from his life. Now he is enjoying the new life which he found in Christ alone.

Day: Saturday

Dharma Naik took a U-turn to Christ.

Sometimes in life, we can take alternative paths that lead us down the incorrect path. Unplanned diversions and attractions abound in life and have the power to pull us away from God and His purposes for us. We'll arrive in a horrible spot, far from God's ideal, if we continue living in the wrong direction. In everyone's lives, it is mandatory to take a U-turn to Christ and Dharma Naik also did the same by choosing the path which gives salvation.

He was not aware of salvation earlier, but when he came to know that one had sacrificed his life for the sins of the whole world, immediately without any delay, he asked us why he died for our sins and how

can a man be identified as a sinner while he is following all the religious customs?

We told him that the unconditional love of God pushed us away from the punishment which we need to receive and he himself in human form bore the punishment and saved us from eternal hell. We also told him that a man cannot be identified as righteous according to his deeds. When we look into the Romans chapter 3 verses 10-12, it is written like this. There is no one righteous, not even one; there is no one who understands; there is no one who seeks God. All have turned away, they have together become worthless; there is no one who does good, not even one.” After hearing this scripture, he said Yes Exactly! No one is perfect and we all need salvation from Lord Jesus Christ.
