Day: Wednesday

True Joy Global Foundation ploughed the hearts of youth.

Unploughed ground won't let a crop grow likewise unploughed heart won't let a soul grow. There are many things which we must have to do as followers of Christ and the first and foremost thing that we did in the area padisonpet in Bapatla was we ploughed the hearts of the youngsters and sowed the seeds of gospel.

Day: Monday

The true path was shown to youth.

Today's generation has many paths to obtain what they want, but they don't know what they really need. So to help them understand that, we reached an area called Chakali palem in Bapatla and proclaimed Jesus Christ is the only true path to get salvation, joy and peace.

Day: Thursday

Children & youth gathered to hear about the obedient son and his sacrifice.

Obedience is a virtue which everyone has to follow until his last breath, but unfortunately the word obedience has faded away. True Joy Global Foundation is striving hard to bring back obedience in every child by showing the lifestyle of Jesus. In the area called market yard (Bapatla) we did the same by telling them the obedience which Christ showed towards his father (God) and how he sacrificed his life for us.

Day: Friday

Good news was revealed by True Joy Global Foundation.

Everyone hears the news, but only a few souls accept the good news and that good news was Jesus Christ who paid the price on the cross for the sins which we committed. At GBC Road (Bapatla) we shared the good news with the young men that Christ is a sinless man who bore pain and punishment for our transgressions.

Day: Tuesday

God provided the needs for the needy.

God knows our hearts, and he can see the situations clearly which we are going through, and he has perfect timing to provide it. Through the help of God's children and their generosity, we helped the people who are really in need living in the roadside tents on the outskirts of Bapatla town with food and clothing.

Day: Friday

The word of God cleansed all the doubts of these young men.

How can someone's doubts be solved when our words won't workout? The only solution for this was the word of God which can reach the core of the heart and gives clarity & comfort to the soul. We too did the same in the midst of youth in changalrayudu thota Bapatla and solved all their queries with the help of god's word and told the fact that Jesus Christ is the only saviour.

Day: Tuesday

Youth experienced True Joy.

We invest our time, money, and efforts to get joy. Yet, it won't stay longer. How long should we invest our valuable time, hard-earned money and assiduous efforts on temporary joy? True Joy is eagerly waiting for the one who seeks it, and the doors were opened through our foundation to the youth in the area called Vijayalakshmi puram Bapatla to experience the unconditional love of God and the sacrifice of Christ.

Day: Thursday

Enlightened souls through the gospel.

Day by day, days are getting darker and most people still remain in darkness. As Christians, we are called torchbearers for Christ and the True Joy Global Foundation is busy in enlightening the lives as much as it can before the lord comes. Below are some of the pics where we enlightened the youth in Darivada kothapalem Bapatla by telling them why God wants to enlighten us through his son Jesus Christ.

Day: Monday

God fed the children through our foundation.

No-one can in this whole world care for us more than God. He knows what to provide, when to provide and how to provide. We can see clearly in Exodus chapter 16 where God fed the Israelites with manna, the supernatural food from heaven. This shows that the love which he has for us and the same love provided food to these cute little children who are residing in devudi Manyam Bapatla.

Day: Wednesday

Youth came to acquaint the bitter truth.

It is very hard to accept even when we can't be able to imagine it, but it's a bitter truth that we need to go with. All the youth gathered in the area called DM palli Bapatla to hear, and we told them that one day we all are going into the judgement day for the deeds which we have done in the flesh. So, it's time to receive the free gift of salvation through his son, lord and saviour Jesus Christ. If we still condemn this, there is no one to save us, and this is a bitter truth that we need to accept
