Our limited funds made it difficult to meet the growing needs of the elderly, but we trusted in God's provision.

Health complications: Addressing multiple health issues with basic medicines was challenging, requiring us to seek additional healthcare resources.

FUTURE PLANS

We plan to establish permanent homes providing daily nutritious meals, regular medical care, and comprehensive physical and mental health support for the elderly. Additionally, we will continue to seek God's guidance and provision to expand our outreach and resources.

Thank You
