"TJGF VOLUNTEER RAMU'S BIRTHDAY CELEBRATIONS" @ TRUE JOY ORPHANAGE

"A DAY OF DIVINE JOY: RAMU'S BIRTHDAY BLESSING AT TRUE JOY ORPHANAGE"

Ramu, a dedicated volunteer at True Joy Global Foundation, recently celebrated his birthday in a truly meaningful and heartwarming way at True Joy Orphanage. Driven by a desire to share his happiness with the children, Ramu organized a special celebration that left an indelible mark on everyone involved.

The day began with a joyful cake-cutting ceremony, where the children's faces lit up with excitement. Their laughter and smiles filled the room as they enjoyed the sweet treat together. Following this, Ramu lovingly distributed snack packs and gift bags to each child. The gift bags, thoughtfully prepared, included a notebook, a geometry box, pencils, a sharpener, an eraser, a pair of nightwear, and a children's study Bible. The joy in their eyes was beyond words as they received these gifts.

What made the day even more special was the time spent in prayer afterward. Together, Ramu and the children joined hands and lifted their hearts in praise to God, expressing gratitude for the blessings of the day. It was a moment of deep spiritual connection, reminding everyone of the love and care that God showers upon His children.

Ramu's birthday celebration at True Joy Orphanage was not just a party; it was a beautiful expression of love, generosity, and faith. By choosing to celebrate with these precious children, he truly reflected the joy of giving and the spirit of Christian love. It was a day filled with happiness, gratitude, and divine blessings—a day that will be cherished in the hearts of all who were part of it.

"REDEEMED BY GRACE: A NEW BEGINNING FOR GENERATIONS"

In a small village, Aswaraopalem a woman's life was bound by the devadasi system, a tradition that her family had followed for generations. This practice, originally intended for women to serve in temples, had become a cycle of poverty and exploitation. Now, at 41, she found herself encouraging her 16-year-old daughter to follow the same path, believing it was their only fate.

Living in extreme poverty, she saw no other option. But when we visited her, our hearts were moved by her plight. We shared the Word of God, telling her of the love of Jesus Christ—a love that offers hope and redemption. As she listened, the truth of the Gospel pierced her heart. She realized she didn't have to continue the cycle of despair. With tears in her eyes, she accepted Jesus as her Savior, feeling peace for the first time in her life.

To help with her immediate needs, we provided four days of ration and a gas stove. But more importantly, we witnessed a woman who was now free in Christ, determined to break the cycle for her daughter and embrace a future filled with hope and dignity.

Her story is a powerful reminder of the transforming power of God's love and a call to bring light to those trapped in darkness.

"UNDER GOD'S WINGS: A REFUGE FOR ARUN IN TIMES OF TROUBLE"

Arun lives a life filled with uncertainty and sorrow. His father, in a moment of despair, tragically took his own life by grabbing live electric wires, leaving Arun and his mother alone in this world. His mother, physically disabled and unable to work, struggles to provide even the most basic needs for her son. They live in penury, and their home is on the brink of collapse. If it falls, neither Arun nor his mother would likely survive.

Arun's childhood is a far cry from that of other children. He cannot play freely, eat a full meal, or sleep peacefully. Each day is a battle against hunger, fear, and despair. The weight of his circumstances is far too heavy for such a young boy to bear.

When we became aware of Arun and his mother's plight, our hearts broke. We knew we had to act quickly to bring them to safety. We immediately arranged for them to move into a safe home and ordered bamboo sticks to build a more secure shelter. But our commitment doesn't stop there. With the support of faithful servants, we plan to provide them with monthly grocery support and ensure Arun receives an education, giving him a chance for a better future.

In the midst of their darkness, we believe that the love of Christ can bring hope and healing to Arun and his mother. By standing with them in their time of need, we hope to reflect the compassion and care that Jesus has for each one of us, especially those who are suffering.

"HOPE IN THE SHADOWS: HOW FAITH AND COMPASSION HELPED BHUVANESWARI HEAL"

Bhuvaneswari's life has been marked by deep sorrow and relentless trials, a journey that has tested her faith and resilience at every turn. At 38, she is a widow, grappling with the brutal murder of her husband, Jagadeesh, who was killed by his friends in a senseless dispute. They had been married for barely a year, tying the knot on March 16 at the Vaikuntapuram Swamy Temple, a day that was supposed to be the start of a new, happy chapter in her life.

But instead of joy, her life has been shrouded in darkness. Bhuvaneswari is an orphan, having lost her parents when she was just a child. With no family to lean on and no children to help her find solace, the weight of her grief and loneliness has been overwhelming. Every day feels like a new battle, as she faces the harsh realities of life with no one to turn to.

But in the midst of her suffering, Bhuvaneswari was not completely abandoned. We stood by her side, offering her not just emotional support, but something even more profound—the message of Jesus Christ. We shared with her the hope and courage that can be found in Him, telling her that even in the darkest moments there is a promise of redemption and the possibility of finding peace and strength through faith.

To further support her, we have committed to providing her with a meal every day. Looking ahead, we are also hopeful and prayerful that, God willing, we will be able to assist her in finding employment.

FROM MANY PRAYERS TO ONE SAVIOR: NAVYA'S ENCOUNTER WITH CHRIST

Navya, a 22-year-old girl, has known nothing but the harsh realities of poverty since birth. Deaf and mute, she has spent her entire life in gloom with her elderly parents, who brought her into the world after years of desperate prayers. Born when her parents were in their 50s, Navya was the answer to a lifetime of hopes and visits to temples, dargahs, mosques, and churches, all in search of a miracle. Her parents, who had almost given up on having a child, finally welcomed her into their lives as a precious gift.

Despite their immense joy at her birth, the family's circumstances did not improve. Poverty was a constant companion, and the challenges of raising a child with special needs only added to their struggles. Yet, in their eyes, Navya was a blessing, a living testament to the power of faith and prayer.

when we met this struggling family, we shared with them a different message, one that resonated deeply within their hearts. We told them of the love of Jesus Christ, the one who gives salvation to all who believe. We explained that through Him alone can we find true peace and redemption. In Jesus, they saw the embodiment of God's love, a love so profound that it offered them hope even in the midst of their suffering.

Moved by their story and the depth of their faith, we extended our support to Navya and her family. We provided them with food rations, clothing, and blankets to help them through the cold nights. But more than just material assistance, we wanted to give them something that would nourish their spirits—a gift of true joy.

WE PRESENTED

NAVYA WITH A SPECIAL PACKAGE

We told her that even in her silence, she could find a voice in the love of Jesus, a love that hears her heart and knows her deepest needs. GO INTO ALL THE WORLD

Our Lord Jesus commanded in Mark 16:15, "Go into all the world and proclaim the Gospel to all creation." This commandment was not just for the apostles, but for every Christian. God desires that His children take on tasks that fulfill His will, and we are humbled and honored that He has appointed us to serve the destitute in India. Through True Joy Global Foundation, we have followed in Jesus' footsteps, striving to bring His love and light to those in need. By God's grace, many who were hungry have been fed, the lost have been found, abandoned elderly have found comfort, and orphans have found a loving home and family in Christ.

Now, God has opened doors in new lands, guiding His faithful servants to establish True Joy Global Foundation in the USA. This is an additional work that God has entrusted to us, and we are eager to serve the youth, enlightening them with the pure and true teachings of our Lord Jesus Christ. We praise God for allowing us to expand His work into another country, and we ask for your prayers that True Joy Global Foundation will save as many souls in the USA as we have in India.

Below, we share with you a pie chart of the spiritual responses we have received throughout our ministry journey, and we are delighted to share our joy with you.

ACCEPTED GOSPEL & SAVED

The Word of God is a blessing to us, and through it, we have not only saved souls but have also gently responded to those who seek to attack us.

As we continue this journey, we ask all believers to join us in prayer. Together, let us pray for those who oppose us, that they too may come to know the love and truth of Jesus Christ and his free gift of Salvation.
